Accounts Executive

About where you will work

- Headquarters of Best Wide Engineering (address above)
- 10 – 15 minutes' walk from the KLCC LRT Station
- Decent range of food outlets within walking distance

Who we are

- Specialize in oil-and-gas and related industries
- 30 years track record in the design, upgrading and construction of process packages and plants
- Presently about 40 multi-discipline, multi-ethnic staff
- Founders-run, and transitioning to the next leadership team

What you do

Typically, you will

- 1) Handle accounts related work
- 2) Handle credit control and payments
- 3) Manage cash flow
- 4) Prepare financial forecasts and annual budgets
- 5) Liaise with auditors during the annual audit process

Basic requirement

You should

- be a Malaysian citizen, hold a LCCI Diploma/Bachelor's Degree in Accounting, Finance, or a related field
- have at least 2 years of accounting/finance work experience
- be proficient in computer systems, especially accounting software
- be self-motivated and capable of working independently with minimal supervision
- be able to communicate well in English and Bahasa Malaysia

Benefits & Remuneration

For your efforts and commitment, we offer

- ❖ flexible working hours in a 5-day week
- ❖ medical benefits and insurance coverage
- ❖ competitive salary package, including bonus when deserving
- ❖ salary review after 6 months (for fresh graduates)
- ❖ EPF, EIS, SOCSO, & annual leave as per statutory requirements.
